### QUALITY POLICY STATEMENT

At SAKSHAM EDUTECH AND MANAGEMENT TECHNOLOGY, our commitment lies in providing Impartial, Independent, and Value-Added Hygiene Rating Certification services to our clients while meeting the requirements set by the accreditation bodies. We strive to deliver these certification services through highly competent personnel and continuously enhance their competency through regular training and evaluations.

SAKSHAM EDUTECH AND MANAGEMENT TECHNOLOGY is dedicated to achieving its objectives and believes in the continual improvement of our certification activities. We achieve this by conducting thorough reviews and establishing robust feedback systems involving our clients, auditors, certification staff, and other stakeholders.

Furthermore, it is our assurance that our services are accessible to all clients without any bias based on financial or other considerations. SAKSHAM EDUTECH AND MANAGEMENT TECHNOLOGY operates all its procedures and guidelines in a non-discriminatory manner.

To ensure transparency and maintain confidentiality, our impartiality policy and confidentiality policy are effectively communicated from top management down to all staff members, stakeholders and clients. Our auditors are well-informed that the number of audits conducted does not influence any special remuneration, thus eliminating any potential bias that may affect audit results.

In addition to our commitment to impartiality, transparency, and continuous improvement, SAKSHAM EDUTECH AND MANAGEMENT TECHNOLOGY recognizes the importance of staying updated with the latest industry practices and regulations. We actively monitor changes in food safety standards, government regulations, and accreditation requirements to ensure that our certification services align with the current best practices.

In conclusion, SAKSHAM EDUTECH AND MANAGEMENT TECHNOLOGY is dedicated to delivering high-quality hygiene rating certification services that meet the needs and expectations of our clients. We prioritize impartiality, transparency, and continual improvement in all aspects of our operations. We aim to enhance food safety practices and contribute to the well-being of individuals and communities.
